

MINUTES
HANSEN COMMUNITY LIBRARY BOARD OF TRUSTEES

November 4, 2019

Elva called the meeting to order with all present.

Sharon read the minutes of the previous meeting. Eileen moved to accept the minutes as read, Vernell seconded, motion passed.

Linda M. read the Treasurer's Report. Vernell moved to accept the report as presented, Walt seconded, motion passed.

Cindy talked to Riley Hull at the school about the bike rack to be made by him. He came to the library on Friday and measured to get the size we need. Two items discussed were trying to match the railing and to keep it off the grass. He will draw up plans from the review.

A discussion was also held regarding the bench for the Daw family, including powder coating on the bench, and to be careful that it doesn't get scratched.

Cindy will attend a workshop in Boise about "Read to Me" put on by the Idaho Commission for Libraries.

On November 16, Cindy will hold a program at the library and Community Center for Family Read Week for children and their parents.

The library was given a set of posters commemorating Veterans' Day. Some of the posters will be taken to Mr. Lasso at the school, which will note that they were from the library.

Linda and Cindy attended the Datapalooza workshop in Mountain Home, which included information on the Statistical Report coming due, evaluation of input, output and outcomes, and an introduction to Canva.com, which can be used to compose pamphlets, posters, etc., for our programming needs.

There being no further business, the meeting was adjourned until Monday, December 6, 2019.
