THANK YOU!

Thanks to everyone who participated in our winter events from the Kindergarten Readiness Program to the Adult Book Discussion and from our Second STEAM Saturdays to the Kindergarten Bash for Teens. We have had a great time with each and every one of you!

Pictured is the Construction Theme early literacy kit. Literacy is not just reading it's everything that helps us learn such as taking turns and problem solving.

Early Literacy Kits here!

The Hansen Community Library has 12 early literacy kits available for checkout. These themed-kits have books, games and activities to teach or reinforce literacy skills such as letter and number recognition but also sorting and taking turns.

Thanks to the Idaho Commission for Libraries for the grant that allowed the Hansen Community Library to create this kits and also offer a 10-week kindergarten readiness program over the winter.

Circulation Policy Updated

The Hansen Library Board of Trustees has approved two updates to the circulation policy. These changes go into effect October 1st.

Out-of-District Fees: Out-of-district fees (for patrons who live outside of the Hansen School District) will increase to \$15 annually. Access to Libby, the online ebook and audiobook service, will be curtailed until the annual out-of-district fee is paid.

Access to Libby: All patrons have access to Libby with their member card. However, any patron who owes replacement fees for lost or damaged items will have their Libby access curtailed until the replacement costs are paid or the item is returned. Any item that has not been returned for 12 weeks without prior approval for an extended checkout is deemed lost.

Don't get bored This summer!

Even if you can't attend one of the summer reading programs at the Hansen Community Library, there is still plenty of do. The Hansen Library has puzzles, games and craft kits available for check out. Plus there's a selection of nearly 2,500 movies (old and new) plus new books arriving daily.
