Legislative Update

The Hansen Library Board of Trustees is meeting on Monday, May 6, at 7 p.m. to review the library collection development policy, reconsideration/relocation form and circulation policy following passage of HB 710.

Trustees will be discussing juvenile cards and if limits need to be placed on these cards to conform with the new law.

The Library board meets the first Monday of every month at 7 p.m. Check the website for the agenda.

Thank You!

The Hansen Library has received several generous grants. Thanks to the Bowers Charitable Trust we were able to purchase the new book tower for chapter books and the smile rug for the front desk.

The Keveren Foundation is helping purchase new computers and the Idaho Community Foundation grant is helping replace the front door to make the building more accessible.

THANK YOU!

The Hansen Community Library is so grateful to all who voted in favor of the override levy last November.

Those new funds will become available when the new fiscal year begins in October. In the meantime, we have extended our Saturday hours to 10 a.m. to 2 p.m.

CHECK OUR WEBSITE AND FACEBOOK PAGES FOR INFO ABOUT UPCOMING EVENTS.

Don't forget...

The Hansen Community Library has three mobile hotspots for loan. You must be a patron in good standing to check out a hotspot. They are available for a week at a time, depending on demand.

The Library also has a CRICUT available for use at the library if you would like to make signs for graduation parties or other events.
